Arrival/Dismissal - Entering from French Landing Drive:

During Arrival/Dismissal, our traffic pattern will start on French Landing Drive. During the hours of hours & all school vehicles coming to Purpose Prep will follow the same traffic pattern below:

1. Turn on French Landing Drive to find the start of our traffic zone.
2. Once on French Landing Drive, turn onto Venture Circle Road (Once you turn, the hotel will be on your left side):
 - a. This entry point onto Venture Circle is mandatory to proceed into our pickup line due to the possibility of high volume of traffic, as it prevents traffic build-up onto the busy street of French Landing and maximizes our pickup flow.

3. Once on Venture Circle, this street will naturally curve around (with no options to turn in any direction) and you will be facing the main entrance of the school. *When waiting on Venture Circle, please do not block any business entryway. Once granted access by the traffic guard, please pull into the Purpose Prep parking lot and follow the traffic pattern, which loops you around the parking lot.*

4. Upon seeing the “15 MPH School Zone Sign,” ALL vehicles must travel at a speed of 15 MPH or slower and all music must be turned down to a volume not heard outside of your vehicle. Both requirements help school staff and community members to remain safe, while allowing staff members the ability to communicate information safely amongst our team. **Violations of the safety zone speed limit or any other breaches of safety to Purpose Prep Community members will result in further action by Purpose Prep Academy.**
5. A Purpose Prep Traffic Guard will be stationed in the middle of the road, along with Lime Green cones to help direct the flow of traffic. all vehicles must adhere to the instructions of the traffic guard that will be stationed in the middle of the road. Vehicles will drive straight into the parking lot during Arrival/Dismissal Times to drop-off/pick-up scholars. **Please note that families are not permitted to pull into the drive-way for Arrival/Dismissal until directed by a Purpose Prep Traffic Guard.**

6. Upon exiting our driveway, **ALL** traffic must turn **Right** to follow the Venture Circle exiting route (the exact reverse of the incoming traffic route). Upon exiting our school parking lot, vehicles will not be permitted to keep straight to Venture Circle Road, as this will cause an increased safety risk for incoming traffic.

Parking for Arrival Drop-Off:

For parents wishing to park and drop off their scholars during arrival, ALL of the following parameters must be adhered to:

- No Purpose Prep scholar is allowed to be dropped off by a family “Without” being fully escorted by their guardian to the arrival doors.
- Families/Guardian(s) must exit their vehicles and walk their scholar(s) (*using the sidewalk only*) all the way to the arrival greeting doors. Families/Guardian(s) are not permitted to drop scholars off and allow those scholars to walk to the building by themselves.
- To ensure maximum safety of our Purpose Prep Community, all families must abide by the instructions (both verbal and non-verbal) given by the traffic guards on duty and/or any other Purpose Prep staff member.
- Families are not allowed to block the bus lane, nor impede on the flow of traffic on either side of the street.
- Vehicles are not permitted to make U-Turns in the middle of the street, as this impedes on the flow of traffic and presents safety concerns for our community.
